Agency Data Entry Instructions

To enter agency staff into the Allina Health system, you will need to begin by accessing the unique log in page found by clicking on the URL <u>www.allinahealth.org/contingency</u>.

You will need your assigned **Username**, **Password** and the code from the **RSA Token** to log into the page.

1. Select the link 'Sign in to database entry panel'

You will be directed to the first of two login pages.

| | Contingency Event Access |
|---------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Ň | If you are experiencing issues logging in, please contact the Allina Health Service Desk at 612-262-1900 (9) or 1-800-315-4085 (9) (outside the Twin Cities). |

- 11. Click 'Save' after completing all necessary fields. Once you click 'Save', the screen will be blank and you can now enter the next person into the system.
- 12. When done entering information, click 'Sign out' in the upper right corner of the page to log out of the system.

If you start to enter information, but need to clear the screen to start over, you can click 'Cancel' and this will clear all data. Once a new Social Security # has been entered and verified, the 'Save' button will be visible.
